

Fire & Smoke Damage

Tersus has a wealth of experience in dealing with fire damage restoration. We can work directly with your insurance company to help alleviate the often stressful claims procedure process.

What We Do:

We have developed effective cleaning techniques, employ the use of specialised restoration equipment, capable of removing char, smoke odour, and other damage caused by fire on various types of surfaces.

With the use of the most up-to-date training and techniques, we work to ensure that soot and other damage will not become permanently embedded in the structure.

Contact us today on our **helpline** on **1890 354 354** for advice and information on Fire and Smoke Damage in Ireland.
